*The American Society for Environmental History 2013 Toronto Conference,*

Thank you for finding your climate solution for the 2013 ASEH conference with ClearSky Climate Solutions! ClearSky has retired offsets from our Panama Native Species Reforestation project on your behalf.

Below is a summary of the work you have supported:

Project Name and Description	Number of Offsets Purchased	Offset Serial Numbers
Panama Native Species Reforestation project	125 metric tons CO <sub>2</sub> e	PAN-PAN-2003-09209 through PAN-PAN-2003-09333

Total amount of CO<sub>2</sub> you've removed from the atmosphere: **125** metric tons!
