## The American Society for Environmental History 2016 Conference

Thank you for finding your climate solution for your 2016 ASEH conference with ClearSky Climate Solutions! ClearSky has retired offsets from our Panama Native Species Reforestation project on your behalf.

Below is a summary of the work you have supported:

Project Name and Description	Number of Offsets Purchased	Offset Serial Numbers
Panama Native Species Reforestation project	150 metric tons CO <sub>2</sub> e	PAN-PAN-2003-15677 through PAN-PAN-2003-15826

Total amount of CO<sub>2</sub> you've removed from the atmosphere: **150** metric tons!
